

WHERE CAN I GET A COVID TEST CERTIFICATE?

Note: The below information is subject to change without prior notice. Ocean Paradise do not take any responsibility nor liability for any information that has not been disclosed to the hotel in writing and only provide this information as a guideline based on the information received from the respective contact persons as set out below.

INFORMATION REGARDING COVID-19 TESTING FOR TRAVELLERS (REQUIRING THE TEST BEFORE THEIR JOURNEY)

The Ministry of Health Zanzibar has currently designated only three locations for this test in Unguja.

- 1) Kitengo cha Udhhibiti wa Maradhi ya Dharura (PHEOC)-Migombani**
- 2) Hospitali ya Global- Vuga**
- 3) Hospitali ya North Valley- Nungwi**

Any testing done in hotels, home or any other area that not mentioned above will not be valid/accepted

AVOID INCONVENIENCES, FOLLOW THE LAW

TAKE NOTE

- **Results will take up to 72-hours.**
- **You need to arrange for your testing to be done minimum 4 x days (96-hours) before your departure.**
- **Take into account that the testing lab in Dar es Salaam is closed on weekends.**
- **Keep in mind client will need to make arrangements again to pick up the certificate from the establishment once ready. They do not deliver to the hotel.**
- **Please reconfirm the timings or ask for further advice when you make the appointment with one of the above suppliers.**
- **The hotel’s guest relations team will assist guest during their stay with further advice. It’s important that guest immediately report on arrival day or day after arrival that they will need to make arrangements for the testing and certificate so that everything can be settled in the best time possible.**
